

**Roughwood Primary School
Governing Body 2016**

Name: Lorraine Hobson

Post Held: Chair of Governors

I have been involved with the Governing Body at Roughwood Primary since 2006, first as a Parent Governor and now as Co-opted. I am current Chair and have been so for four years. Both of my children attended Roughwood and I was invited to join the Governing Body due to my background working as a Finance Officer for the Local Authority and within private industry. I am currently a Finance Officer at St Wilfrid's Academy in Doncaster.

My belief as a Governor is that all children should have resources made available to give them the best start in life; this would include ensuring that a high standard of teaching is delivered by all staff. All pupils and staff should be supported within a safe environment and given the opportunity to develop in as many ways as possible; academically, emotionally and preparing them for life after primary school.

Name: Stephen Whitehouse

Post Held: Vice Chair

I am a family man who lives on this estate of Kimberworth Park. I am married with four children. I am one of the leaders at St John's Church, St John's Green, I lead and take services and I also take funerals. I have a full time job working for The Guinness Partnership as a scheme Manager for an Extra Care Facility in Hoyland. I am a Dementia Friends Champion. I also am a governor at a Redscope primary school.

Name: Vicki Margrave

Posts held: Co-opted Governor with governor responsibility for the curriculum

I have been a 'co-opted' governor at Roughwood Primary School since September 2014. During this time I have been involved in supporting the school through its most recent Ofsted inspection to achieve a 'good' judgment. My interest and involvement in school governance comes from working within the education sector since 1997 and in Rotherham specifically since 2009. I was thrilled to be asked to be curriculum governor. I strongly believe that the primary school curriculum should be stimulating, fun and engaging allowing all children to be inspired in order to nurture curious and enquiring minds.

I am a qualified teacher and currently work as a Teaching & Learning Consultant for Rotherham School Improvement Service as well as working for Sheffield Hallam University within the Teacher Education Department.

I passionately believe that every child deserves the best start in life and that a high quality primary education plays a vital role in this. I am keen to work in partnership with colleagues, parents and the wider school community to achieve this end. I am proud of the achievements of Roughwood Primary School, and am thrilled to have the opportunity to support the school in its journey moving forward as a school governor.
