

Modern languages

In modern languages we will be learning French language about:

- Basic Greetings
- At the beach

Physical Education

- Netball
- Football
- Playground games

Personal, Social and Health Education (PSHCE)

- New beginnings
- Getting on and falling out

Philosophy for Children (P4C)

This term the children will all take part in P4C lessons which allow children to develop their speaking and listening skills as well as their critical and creative thinking. The sessions are child led however the sessions have a stimulus to aid discussion. This term we will be looking at 'changes' and 'disputes' linked to our topic learning.

Mission Statement

Together anything is possible

We hope you find this information useful and that it may help you have a better understanding of what your children may tell you about their time in school.

Roughwood Primary School

Where a love of learning grows

Year 6 Autumn Term Plan

Dear Parent / Carer,

Welcome back. We hope that you and the children have had a restful summer and are ready and raring to go. This is an important year for the children as this is the year that they will be sitting their SATs examinations. It is also their final year at primary school and as such, we hope that they make many happy memories and have lots of successes to take with them as they move on to secondary school.

We are very much looking forward our visit to Northumberland and the learning that we will do about coastlines and coastline invaders. We will also be having a visit to Crucial Crew this term where we will learn vital safety lessons. We hope to have lots of fun as well as working hard. Please continue to encourage your child to develop their reading, writing and maths skills by completing all home learning tasks and by using the online learning platforms regularly.

We are sure this will be a great year for your children and we thank you for your continued support.

Mrs Wheeler and Mrs Sweeney (The Y6 Team)

Mrs J. Fearnley (Executive Head Teacher) & Mr. Williams (Head of School)
